

GRADING POLICY - JUNIORS

Coaches Assessments

At the end of the season, coaches of age groups 11 to 17 must complete a 'Player Profile' form, available from <http://www.nbsc.org.au/administration>, and submit it to the Junior Registrar. These will assist in team placements for the next season.

Selection Process

At the beginning of the season, where there are likely to be at least two teams in one age group then a grading process will be implemented as detailed below:

- Players will be invited to attend two training sessions. Invitations will be sent to the players registered email as recorded in <http://www.myfootballclub.com.au/>
- The sessions will be monitored by a panel of selectors nominated by the Vice President (Juniors)
- Selectors may include the coach, manager, senior players or any other person deemed experienced by the Vice President (Juniors)
- Selectors make their initial assessments based on performance at the sessions with reference to player profile forms from the previous season
- Players are identified by a shirt number
- Players will continue to train as one age group for a number of subsequent sessions allowing for further assessment of not only player ability, but also commitment and dedication to training
- Final squads will be presented to and approved by the Vice President (Juniors) no less than two weeks prior to the start of the season
- The Vice President (Juniors) will email players before the season starts
- Every effort will be made to assess the players on their merits and to do so within these timeframes. It is expected that all parents and players respect the decisions of the selectors. Queries regarding specific players can be addressed to the Vice President (Juniors).

Movement Between Teams

The Club reserves the right to move players between teams during the season based on performance, commitment, absence or injury. This may be a permanent movement or on a game by game basis.

Confidentiality and Access to Selection Records

Information contained in this process is confidential. Records will only be made available where appropriate, as determined by the Vice President Juniors. Safekeeping of all selection material is the responsibility of the Vice President (Juniors).
